VTE-6500

65″

65″ Full-HD interactive flat panel display

VIVIDtouch™ 65” interactive display represents cutting-edge direct-view LCD technology. Combining full HD 1080p resolution, unparalleled image quality with precise and fast 10 touch response using high-resolution infrared touch technology.

The durable, sleek, fan-less professional design has a super-slim 17mm bezel keeping the attention of the class focused on the razor sharp images of this commercial grade panel which has full connectivity options including room control.

In addition to 3 preset light settings, the energy saving controls enables the active ambient light sensor to automatically adjust the brightness of the display saving on running costs.

Software options:

Wordwall SMART Notebook RMeasiteach

- Multi-touch (up to 10 users)
- HD — Full HD 1080p (1920 x 1080)
